

**Curriculum Vitae**  
**Anna Maria Malagoni**

**Education**

- Medicine degree awarded by University of Ferrara (Italy)
- Licensed to practice obtained at University of Ferrara.
- Postgraduate diploma of specialization in Sports Medicine awarded by University of Ferrara.
- PhD in "Biomedical Endocrinology and Neurophysiological Science", curriculum: "Exercise and vascular disease", University of Ferrara.
- Second level Master degree in "Compression therapy and methods for tissue repair", University of Ferrara.
- Second level Master degree "School of Clinical and Epidemiological Research: focus on monitoring, quality and statistics", University of Ferrara.

**National Scientific Qualification to function as Associate Professor, 06/N2-Physical Exercise and Sport Sciences**

**Scientific Profile**

Scopus author ID: 6508341309; Web of Science Researcher ID K-4974-2016; ORCID 0000-0002-3362-4691

**Work experience**

- 2011-present: Holder of a research grant at the Vascular Diseases Center-University Hospital of Ferrara.
- 2017-present: Honorary Clinical Research Fellow, Section of Vascular Surgery, Department of Surgery and Cancer, Imperial College London (UK)
- 2010-2011: Holder of a research grant at the Department of Rehabilitative Medicine, University Hospital of Ferrara.
- 2007-2009: PhD program and clinical activity at the outpatient clinic for vascular diseases' rehabilitation, Department of Rehabilitative Medicine, University Hospital of Ferrara
- 2004-2006: Holder of a research grant on "Peripheral venous and arterial diseases: experimentation of rehabilitation methods" at the Surgical Department of the University Hospital of Ferrara.
- 2004-2013: Clinical activity at the outpatient clinic for vascular diseases' rehabilitation, Department of Rehabilitative Medicine, University Hospital of Ferrara.
- 2001-2020: involved in the planning, conducting and supervising of the anti-doping controls, during international sporting events, for an international Olympic Athletic Federation (International Biathlon Union) and carried out related research activity.
- 2000-2003: Resident doctor at the Center for Biomedical Studies applied to Sport- University of Ferrara.
- 1999: Visiting physician at the Orthopaedic Clinic of the University Hospital of Ferrara.

**Teaching**

2002-present: Teaching activity in the context of graduate and post-graduate courses

## **Participation in national and international research**

- 2016-2019: Project manager of a clinical trial awarded by the Italian Ministry of Health (Ricerca Finalizzata 2013) entitled "Validation of a novel non-invasive technique based on real time ultrasound B-mode to assess the jugular venous pulse". University Hospital of Ferrara
- 2018: Study coordinator, trial "A Multicenter Randomised Controlled Study: Does Neuromuscular Electrical Stimulation Improve the Absolute Walking Distance in Patients with Intermittent Claudication (NESIC) compared to best available treatment?" Imperial College London (UK)
- 2012-2015: Co-investigator multicentre trial NCT01371760 "BRAVE DREAMS (BRAin VEnous DRainage Exploited Against Multiple Sclerosis)"
- 2011: Co-investigator project "Global evaluation of the Anti-Doping program" in collaboration with International Biathlon Union, Bando: World Anti-Doping Agency - Social Science Research Program 2011
- 2009-2010: Co-investigator trial "Chronic venous insufficiency in multiple sclerosis. A haemodynamic pilot study of cerebrospinal venous drainage using non-conventional MRI measures and sonography. HSIRB # NEU2320808E "in collaboration with Buffalo Neuroimaging Analysis Center, Jacobs Neurological Institute, University of Buffalo, NY, USA.
- 2008-2009: Co-investigator for the trial "Endovascular treatment of multiple sclerosis: pilot study (EVTMS)" in collaboration with Buffalo Neuroimaging Analysis Center, Jacobs Neurological Institute, University of Buffalo, NY, USA.
- 2006: Co-investigator project "Artificial Intelligence Evoking Target Testing in Antidoping" (AR.I.E.T.T.A.) in collaboration with International Biathlon Union. Bando: World Anti-Doping Agency research Grants Health, Medical and Research Committee Anno: 2006
- 2004-2005: Co-investigator and study coordinator for the center of Ferrara of the trial NiCox S.A. NCX-4016-X-208: "A multicenter, double-blind, randomized, parallel group study to assess the effects of NCX 4016 vs placebo on walking distance in patients with peripheral arterial occlusive disease at Lerche-Fontaine stage II".

## **Professional Memberships**

- Member of the Editorial Board of "Veins and Lymphatics" journal (journal section: Exercise and Compression).
- Member (medical expert) of the International Compression Club.
- Member of Italian Federation of Sport Medicine
- Member of the American College of Sports Medicine.

## **Honours**

- Best Poster Award: 2nd Annual International Society for Neurovascular Disease scientific meeting, February 18-22, 2012, Orlando, Florida, USA.
- Best Poster Award "City of Graz": 52nd International Neuropsychiatric Pula Congress, June 20-23, 2012, Pula, Croatia.
- 2nd Poster Prize "City of Graz": 58th International Neuropsychiatric Pula Congress, May 25-27, 2018, Pula, Croatia.
- 2012: appointed lecturer in the discipline of Vascular Surgery by the Department of Morphology, Experimental Medicine and Surgery of the University Hospital of Ferrara (Italy).

- 2013: selected by the Research and Innovation Office of the University Hospital of Ferrara (Italy) to become part of a project entitled "Creation of a Hospital network to support clinical research".
- Reviewer for 9 scientific journals
- Author and co-author of 48 Congress reports. Speaker and invited speaker at 29 National and International Congresses and Meetings
- Co-author of 3 book chapters

## **Publications**
