

CALL FOR APPLICATION FOR NON-EU STUDENTS TO THE 6 YEAR DEGREE COURSE IN MEDICINE AND SURGERY, IN ENGLISH, AT SAINT CAMILLUS INTERNATIONAL UNIVERSITY OF HEALTH SCIENCES (UNICAMILLUS) FOR THE ACADEMIC YEAR 2019/2020

Article 1 – Slots available and admission requirements

Saint Camillus International University of Health Sciences, hereinafter referred to as "UniCamillus", has published for the academic year 2019/2020 the public call for application for the admission to the First Year of the Degree Course in Medicine and Surgery, in English, for the coverage of the slots left vacant following the procedure undertaken with the previous call for application:

n. 38 (thirty-eight) slots for non-EU candidates residing abroad.

The number of available slots may change following failure to complete the enrolment by those admitted and by what established by the Decree of the Italian Ministry of Education, University and Research (M.I.U.R.), in compliance with Italian Law of 2nd August 1999, n. 264.

Citizens from Norway, Iceland, Liechtenstein, Switzerland and the Republic of San Marino are treated as EU candidates and will have to use the related application. Equal treatment applies to the categories that – according to what provided by art. 26 of Italian Law 30 July 2002, n. 189 and subsequent modifications and alterations – access the courses under the same conditions as the Italian students.

Applicants wishing to take the admission test for entry to these degree courses must meet one of the following criteria:

- a secondary school diploma that gives access to the University, issued by a state or equivalent educational institution of the Italian education system in Italy or abroad;
- final qualification of secondary education issued by an institution belonging to a foreign school system, located in Italy or abroad, obtained following a course of at least 12 years of schooling;
- final qualification of secondary education obtained in a school system that includes 10 or 11 years of schooling, supplemented with one or two years of university, provided that all the exams scheduled for those academic years have been passed.

Candidates enrolled in the last year of upper secondary school at the state and private school institutions of the Italian education system, or at a foreign secondary education institution that allows the achievement of a valid qualification for admission to courses of higher education of the Italian system can also apply to UniCamillus.

The above-mentioned candidates must have achieved their qualification by the last available date for enrolment for the academic year 2019/2020.

Candidates who already have an academic qualification (obtained in Italy or abroad) and those coming from another degree course must follow the same procedures indicated in this call for

application and must take the admission test.

For the candidates who already have a foreign secondary school diploma or are enrolled in the last year of a secondary school pertaining to a foreign education system, the foreign qualifications are deemed valid if complete of Declaration of Value issued by the Italian diplomatic authorities.

Candidates who do not possess or do not submit the necessary qualification within the deadlines indicated below, according to current legislation, will lose the benefit to enrol or forfeit their enrolment if already admitted, and will have no right to the refund of the amount paid.

With reference to the recognition of foreign qualifications, the University will take into account the indications provided by the Ministry of Education, University and Research "Procedures for entry, stay and enrolment of foreign / international students to courses of higher education in Italy for the academic year 2019-2020" (<http://www.studiare-in-italia.it/studentistranieri>).

Participation in the Call for Application entails the full and irrevocable acceptance of the provisions contained therein. For juridical and interpretative purposes, the Italian Call for Application approved with Rector's Decree 32 of 20th May 2019, filed at the Academic Office, shall prevail.
