

GUIDE FOR ENROLMENT RENEWAL

1. Access your personal area on the student's portal (<https://unicamillus-studenti.gomp.it/Home>) and follow the path “Career”>”Enrolment Renewal”.

2. The system will show you the information regarding the degree course in which you are enrolled. Scrolling down, you will find the “Declarations” section.

2.b **EXTRA UE STUDENTS** cannot benefit from the remodulation of taxes deriving from the ISEE-U declaration, therefore you can skip this following step.

2.b **FOR EU STUDENTS ONLY:** In accordance with the Taxes and Contributions Regulation of reference, if you desire to benefit from tax remodulation according to your personal ISEE-U, you will have to click on the pencil icon on the right of the section “DICHIARAZIONE ISEE” and give your consent to access the INPS database.

The system will query the INPS database and will automatically remodulate the taxes according to the Regulation for Taxes and Contribution of referral.

N.B. We remind all *EU* students that, in order for the remodulation to happen, you will have to present an ISEE declaration valid for the right to University education (ISEE-U). If the declaration is not valid for this right, the data will not be acquired.

We also remind students that it is necessary that the ISEE-U declaration is already calculated and registered in the INPS database by November 30th.

3. In the “Declarations” section you can also upload any certificate regarding eventual disabilities and/or SLDs (Specific Learning Disorders). We remind you that these declarations do not imply any tax remodulation.
