Article 1 – Available slots and admission requirements

Saint Camillus International University of Health Sciences, hereunder referred to as UniCamillus, has published for the academic year 2020/2021 the public call for applications for the admission to the First Year of the Degree Courses in Health Professions taught in English.

The following slots are available for EU and equated candidates (Article 26 of Italian Law 30th July 2002, n. 189 and subsequent modifications and integrations):

- n. 35 slots in the Degree Course in Nursing;
- n. 20 slots in the Degree Course in Physiotherapy;
- n. 6 slots in the Degree Course in Radiology, Diagnostic Imaging and Radiotherapy Techniques.

The number of slots available might change depending on what provided by the Decree of the Ministry of Education, University and Research (M.I.U.R.), in accordance with the Law of 2 August 1999, n. 264. The MIUR Decree may provide for the confirmation, increase or decrease of the slots specified in this call for application. The University will publish the related Ministerial Decree on its webpage.

Two exam sessions are planned for the selection procedures: one regular and one extraordinary (potential). In the event that, after the enrolment procedures of the regular session, slots remain available, an extraordinary session will be performed. The number of any vacant slots will be published on the University website.

Citizens from Norway, Iceland, Liechtenstein, Helvetic Confederation, Republic of San Marino and Vatican City are treated as EU candidates.

Candidates who, at the date of the admission test, are already in possession of a high school diploma and those who are enrolled in the last year of secondary school can take part in the selection process.

For the candidates who already have a foreign secondary school diploma or are enrolled in the last year of a secondary school pertaining to a foreign education system the qualifications are deemed valid, if obtained after at least 12 years of schooling; these qualifications must be accompanied by the Declaration of Value issued by the Italian diplomatic authorities.

In case the local education system provides for 11 or 10 years of schooling, the qualification is valid if it is integrated with one or two years of University studies, provided that all the exams scheduled for those academic years have been passed.

Candidates who do not possess or do not submit adequate qualifications within the deadlines indicated below, according to current legislation, will lose the benefit to enrol or forfeit their enrolment if already admitted and have no right to the refund of the amount paid.

With reference to the recognition of foreign qualifications, the University will take into account the indications provided by the Ministry of Education, University and Research "Procedures for entry, stay and matriculation of foreign / international students to courses of higher education in Italy for the academic year 2019-2020" and subsequent amendments (<http://www.studiare-in-italia.it/studentistranieri>).

Article 2 – Application submission

Registration for the admission test will be possible:

- Starting from October 28th, 2019 until January 28th, 2020 for the regular session;
- Until September 28th, 2020 for the extraordinary session (potential).

In order to complete the registration for the admission test, each candidate needs to register on the web portal <http://www.unicamillus.org/admission-test>, and follow the instructions.

At this stage, the candidates will be asked **to select** the Degree Course which they intend to apply for. In addition to the one selected as his/her first choice, the candidate can also indicate in order of preference one or more alternative Courses – even all of them – he intends to apply for, in case he/she is not able to be part of the list of candidates admitted for the Degree course indicated as his/her first choice.

The candidate is responsible for the information given when completing the registration form in its entirety. The presence of false, incorrect or omitted information even in only one of its parts leads to the immediate exclusion from the test or, if the test is already passed, the cancellation from the lists of those admitted.

With the submission of the form for the registration to the test the candidate authorises UniCamillus to carry out checks at institutions and authorities that have issued or validated the qualifications attached to the application.

In case of difficulty in the registration procedure, an e-mail can be sent to admission@unicamillus.org for assistance.

For all candidates, the participation fee to the admission test of Euro 110,00 (one hundred ten), is not refundable for any reason (also in the event the student fails to be present at the test).

The payment of the fee for the access to the admission test does not complete the registration procedure. At the same time the registration process must be completed in its entirety, under penalty of exclusion.

Article 3 – Support for candidates with disabilities or specific disorders

Candidates with disabilities or with specific learning disabilities (SLD), in relation to the specific difficulties medically certified, can make explicit request for aids and/or additional time with respect

For the evaluation of the test a maximum score of sixty (60) points is attributed according to the following criteria:

- 1 point for each correct answer;
- minus 0.25 points for each wrong answer;
- 0 points for each answer not given or multiple marking, or for all ambiguous responses.

Article 5 – UniCamillus Testing Procedures

The written test will take place on February 1st 2020 for the regular session -and on October 3rd 2020 for the extraordinary session (potential)- at the place and time that will be specified in the convocations to the test.

The possession of these devices must be reported to the operators who, if deemed necessary, might keep the device and then return it at the end of the test.

The use of pens or other unauthorized writing instruments is also forbidden.

Non-compliance with these provisions will result in the exclusion from the test or from its continuation if already begun.

Article 6 – Final ranking for admission

Following the completion of the test, a single ranking list based on the score achieved by each candidate in the admission test will be drawn up.

UniCamillus will publish the final ranking on the website www.unicamillus.org, guaranteeing the anonymity of the candidates, according to the following deadlines:

- within February 6th, 2020 for the regular session;
- within October 8th, 2020 for the extraordinary session (potential).

In case of a tie, the score obtained by the candidate in the solution, respectively, of the questions pertaining to the sections of logical reasoning, general knowledge and scientific knowledge prevails in descending order. In case of further parity, the youngest candidate will prevail.

The ranking will be drawn up based on the overall score achieved by the candidates and following the criteria below:

1. if the candidate is admitted to the Degree Course indicated as first option, the remaining options are cancelled;
2. if the candidate is admitted to the Degree Course indicated as second option, the third option is cancelled.

Article 7 – Assignment to the Degree Course

In case there are no slots available in the Degree Course indicated as first option, the candidate will be assigned, for the purposes of enrolment, to the Degree Course indicated as second option and, in the event no slots are available in the Degree Course indicated as second option, he will be assigned, for the purposes of enrolment, to the Degree Course indicated as third option.

The candidate who has not entered the ranking to be admitted in the Degree Course indicated as first choice can request, upon enrolment in one of the other Degree Courses he has been admitted to, the transfer to the Degree Course indicated as first choice, submitting the request by filling in the appropriate form available for download on www.unicamillus.org in his personal page or at the Registrar's Office. The request must be annexed to the enrolment application, to be submitted only to the Registrar's Office. This request entails, in case slots become available, the transfer of the candidate to the Course he has applied for. All transfers will be reported on the dates planned for the reordering of the ranking. Transfers to Degree Courses other than the ones indicated in the application cannot be requested.

Failure to submit the transfer request in the terms and procedure indicated will result in the enrolment in the Degree Course different from the first choice.

The candidate admitted for enrolment in a Degree Course of first, second and third choice who, for whatever reason, does not enrol according to the terms and procedures set forth in this call, will lose any benefit deriving from its position in the ranking for the purposes of enrolment, for all options expressed and this regardless of any justifications.
