CALL FOR APPLICATION FOR THE ADMISSION OF EU AND NON-EU STUDENTS TO THE THREE-YEAR DEGREE COURSES OF HEALTH PROFESSIONS IN ITALIAN OF THE SAINT CAMILLUS INTERNATIONAL UNIVERSITY OF HEALTH SCIENCES (UNICAMILLUS) FOR THE ACADEMIC YEAR 2020/2021

Article 1 – Available slots and admission requirements

Saint Camillus International University of Health Sciences, hereunder referred to as UniCamillus, has published for the academic year 2020/2021 the public call for applications for the admission to the First Year of the Degree Courses in Health Professions in Italian, for the coverage of the slots remained available following the previous call for application:

Degree Course in :	EU and equiparated students	Non-EU students
Midwifery (*)	0 ¹	46
Biomedical Laboratory Techniques	8	31

Citizens from Norway, Vatican City, Iceland, Liechtenstein, Helvetic Confederation and the Republic of San Marino are treated as EU candidates.

Candidates who, at the date of the admission test, are already in possession of a high school diploma can take part in the selection process.

For the candidates who already have a foreign secondary school diploma issued by a foreign education system the qualifications are deemed valid, if obtained after at least 12 years of schooling; these qualifications must be accompanied by the Declaration of Value issued by the Italian diplomatic authorities.

In case the local education system provides for 11 or 10 years of schooling, the qualification is valid if it is integrated with one or two years of University studies, provided that all the exams scheduled for those academic years have been passed.

Candidates who do not possess or do not submit adequate qualifications within the deadlines indicated below, according to current legislation, will lose the benefit to enrol or forfeit their enrolment if already admitted and have no right to the refund of the amount paid.

¹ EU and equiparated candidates can take part in the selection for the three-year degree course in Midwifery even though at the moment there are no slots allocated for them. This is possible because the Ministerial Decree n. 240 of June 26th 2020 (definition of the slots allocated for non-EU candidates residing abroad) provides that any slots not covered by non-EU candidates residing abroad are made available for EU and non-EU students residing in Italy in time for the reordering of the related rankings. Basically, EU and equiparated candidates who will take part in the selection for the three-year degree course in Midwifery, will be admitted, in order of ranking, to the slots originally allocated for non-EU students, once the University will have assessed that some of the slots allocated for the non-EU candidates have remained available.

With reference to the recognition of foreign qualifications, the University will take into account the indications provided by the Ministry of Education, University and Research "Procedures for entry, stay and matriculation of foreign / international students to courses of higher education in Italy for the academic year 2020/2021" and subsequent amendments (<http://www.studiare-in-italia.it/studentistranieri>).

NON-EU STUDENTS RESIDING ABROAD

"PROCEDURES FOR THE ENTRY, STAY AND ENROLMENT OF STUDENT VISA APPLICANTS TO THE COURSE OF HIGHER EDUCATION IN ITALY FOR THE ACADEMIC YEAR 2020-2021 AT HIGHER EDUCATION INSTITUTIONS"

Non-EU students residing abroad must comply with the ministerial provisions "Procedures for entry, stay and enrolment of student visa applicants to courses of higher education in Italy for the academic year 2020/2021 at higher education institutions" available at:

<https://www.studiare-in-italia.it/studentistranieri/>

For the visa application procedures please refer to:

<http://vistoperitalia.esteri.it/home/en> e <http://www.studiare-in-italia.it/studentistranieri/>.

These procedures do not replace the registration to the admission test on UniCamillus website, but are a preparatory step in order to apply for a visa in Italy for study reasons

Article 2 – Application submission

Registration for the admission test will be possible until September 28th 2020.

In order to complete the registration for the admission test, each candidate needs to connect to the web portal <http://www.unicamillus.org/admission-test>, register and follow the instructions.

At this stage, the candidates will be asked **to select** the Degree Course which they intend to apply for. In addition to the one selected as his/her first choice, the candidate can also indicate the second Degree Course which he/she intends to apply for in case he/she is not able to be part of the list of candidates admitted for the Degree course indicated as his/her first choice.

The candidate is responsible for the information given when filling in the registration form. The presence of false, incorrect or omitted information even in only one part leads to the immediate exclusion from the test or, if already passed, the cancellation from the lists of those admitted.

Upon submission of the form for the registration to the test the candidate authorises UniCamillus to carry out checks at institutions and authorities that have issued or validated the academic qualifications attached to the application.

In case of difficulty in the registration procedure, candidates can send an e-mail to admission@unicamillus.org for assistance.

For all candidates, the participation fee of € 110.00 (one hundred and ten) is not refundable for any reason (also in the event the student fails to be present at the test).

The payment of the fee for access to the admission test does not complete the registration procedure. The registration process must be completed in its entirety under penalty of exclusion.

Article 3 – Support for candidates with disabilities or specific disorders

Candidates with disabilities or with specific learning disabilities (SLD), in relation to the specific difficulties attested by medical certification, can make explicit request for aids and/or additional time compared to those established for the general candidates, as well as further measures to guarantee equal opportunities in carrying out the entry test. “Candidates with disabilities” shall mean: blind candidates, suffering from absolute blindness or with a visual residual not exceeding one tenth in both eyes; deaf candidates, suffering from deafness from birth or before learning the spoken language; candidates with a civil disability percentage equal to or greater than 66%; candidates in possession of the handicap certification as from Italian Law 104/92 as amended by Italian Law 17/99. Article 6 – Final ranking for admission

Following the completion of the test, a single ranking list based on the score achieved by each candidate in the admission test will be drawn up.

By October 8th 2020 UniCamillus will publish on the website www.unicamillus.org the single ranking of merit ensuring the anonymity of the candidates.
