DECREES

Article 1

The admission test will be carried out in home-based mode, i.e. remotely at the home or other place chosen by the candidate.

For candidates who have already completed the registration before the latest provisions, registration is also considered valid for the new test delivery mode.

Article 2

The following amendments are applied to the Rector's Decree no. 109 of 5th November 2020:

a) In Article 2 – Application submission , the date 26th January 2021 is substituted with the date 14th February 2021.

The new Article 2, therefore, states:

Article 2 – Application submission

Registration for the admission test will be possible:

- starting from 9th November 2020 until 14th February 2021 for the ordinary session;*
- until 29th September 2021 at 1 PM for the extraordinary session (if any).*

In order to complete the registration for the admission test, each candidate needs to connect to the web portal <https://unicamillus-admission.ilmiotest.it>, register and follow the instructions.

At this stage, the candidates will be asked to select the Degree Course which they intend to apply for. In addition to the one selected as his/her first choice, the candidate can also indicate in order of preference one or more alternative Courses – even all of them – he intends to apply for, in case he/she is not able to be part of the list of candidates admitted for the Degree course indicated as his/her first choice.

The candidate is responsible for the information given when filling in the registration form. The presence of false, incorrect or omitted information even in only one section leads to the immediate exclusion from the test or, if already passed, the cancellation from the lists of those admitted.

Upon submission of the form for the registration to the test the candidate authorises UniCamillus to carry out checks at institutions and authorities that have issued or validated the academic qualifications attached to the application.

In case of difficulty in the registration procedure, candidates can send an e-mail to admission@unicamillus.org for assistance.

For all candidates, the participation fee of € 110.00 (one hundred and ten) is not refundable for any reason (also in the event the student fails to be present at the admission test).

The payment of the fee for access to the admission test does not complete the registration procedure. The registration process must be completed in its entirety under penalty of exclusion.

b) In Article 5 – UniCamillus testing procedure, the date 30th January 2021 is substituted with the date 20th February 2021. Moreover, in par. 6 after the word “devices” the sentence “- if not necessary for carrying out the "computer based from home" test and according to the instructions that will be given by the test administration- " is added.

The new Article 5, therefore, states:

In case of deferment, as long as it is decided prior to the deadline for the application to the admission test, it will be possible to postpone the deadlines for the submission of the applications and, where deemed useful, accordingly modify the other dates provided for by this Call.

On the day of the test candidates must submit a valid Identification Document (ID) pursuant to art. 35 of the D.P.R. December 28th 2000 no. 445.

During the tests it is absolutely forbidden the use of mobile phones, calculators, tablets, web-connecting devices and the consultation of printed books and / or manuscripts and notes. The possession of these devices must be reported to the operators who, if deemed necessary, might keep the device and then return it at the end of the test.
