CALL FOR APPLICATION FOR THE ADMISSION OF EU AND EQUIPARATED STUDENTS TO THE DEGREE COURSES IN HEALTH PROFESSIONS IN ITALIAN OF THE SAINT CAMILLUS INTERNATIONAL UNIVERSITY OF HEALTH SCIENCES (UNICAMILLUS) FOR THE ACADEMIC YEAR 2021/2022

Article 1 – Available slots and admission requirements

Saint Camillus International University of Health Sciences, hereunder referred to as UniCamillus, has published for the academic year 2021/2022 the public call for applications for the admission to the First Year of the Degree Courses in Health Professions taught in Italian.

The following slots are available for EU and equiparated candidates (Article 26 of Italian Law 30th July 2002, no. 189 and subsequent modifications and integrations):

- no. 13 slots in the Degree Course in Midwifery;
- no. 10 slots in the Degree Course in Biomedical Laboratory Techniques.

The number of slots available may vary as a result of what will be established by Decree of the Ministry of University and Research (M.U.R.), in accordance with Law no. 264 of August 2nd 1999. The Decree of the MUR may provide for the confirmation, increase or decrease of the slots specified in this announcement. The University will make the related Ministerial Decree accessible on the University website.

The selection procedures include two test sessions: ordinary and extraordinary (if any). If, following the outcome of the registration procedures of the ordinary session, there are vacancies, an extraordinary session will be held. The number of vacancies will be published on the University website.

Citizens from Norway, Iceland, Liechtenstein, Helvetic Confederation, Republic of San Marino and Vatican City are treated as EU candidates.

Candidates in possession of a secondary school diploma on the date of the test and candidates who, on the date of the test, are attending the last year of secondary school are admitted to participate in the admission test.

For candidates who have already achieved a secondary school diploma issued by a foreign education system or are enrolled in the last year necessary to obtain it, foreign qualifications are deemed valid, if obtained after at least 12 years of schooling; these qualifications must be accompanied by the Declaration of Value issued by the Italian diplomatic authorities.

In case the local education system provides for 11 or 10 years of schooling, the qualification is valid if it is integrated with one or two years of University studies, provided that all the exams scheduled for those academic years have been passed.

Candidates who do not possess or do not submit adequate qualifications within the deadlines indicated below, according to current legislation, will lose the benefit to enrol or forfeit their

enrolment - if already admitted - and have no right to the refund of the amount paid to the University.

With reference to the recognition of foreign qualifications, the University will take into account the indications provided by the Ministry of University and Research "Procedures for entry, stay and enrol of foreign / international students to courses of higher education in Italy for the academic year 2020-2021" and subsequent amendments (<http://www.studiare-in-italia.it/studentistranieri>).

Article 2 – Application submission

Registration for the admission test will be possible:

- Starting from November 9th 2020 until January 26th 2021 for the ordinary session;
- Until September 29th 2021 for the extraordinary session (if any).

In order to complete the registration for the admission test, each candidate needs to register on the web portal <https://unicamillus-admission.ilmiotest.it>, and follow the instructions.

At this stage, the candidates will be asked to select the Degree Course which they intend to apply for. In addition to the one selected as his/her first choice, the candidate can also indicate the second Degree Course he/she intends to apply for, in case he/she is not able to be part of the list of candidates admitted for the Degree course indicated as his/her first choice.

The candidate is responsible for the information given when completing the registration form in its entirety. The presence of false, incorrect or omitted information even in only one section leads to the immediate exclusion from the test or, if the test is already passed, the cancellation from the lists of those admitted.

With the submission of the form for the registration to the test the candidate authorises UniCamillus to carry out checks at institutions and authorities that have issued or validated the qualifications attached to the application.

In case of difficulty in the registration procedure, an e-mail can be sent to admission@unicamillus.org for assistance.

For all candidates, the participation fee to the admission test of Euro 110,00 (one hundred and ten), is not refundable for any reason (also in the event the student fails to be present at the admission test).

The payment of the fee for the access to the admission test does not complete the registration procedure. At the same time the registration process must be completed in its entirety, under penalty of exclusion.

Article 3 – Support for candidates with disabilities or specific disorders

Candidates with disabilities or with specific learning disabilities (SLD), in relation to the specific difficulties medically certified, can make explicit request for aids and/or additional time with respect

The test will last 60 minutes.

For the evaluation of the test a maximum score of sixty (60) points is attributed according to the following criteria:

- 1 point for each correct answer;
- minus 0.25 points for each wrong answer;
- 0 points for each answer not given or multiple marking, or for all ambiguous responses.

Article 5 – UniCamillus Testing Procedures

The written test will take place in Rome on January 30th 2021 for the ordinary session and on October 2nd 2021 for the extraordinary session (if any) at the location and time that will be specified in the convocations to the test.

The University reserves the right to plan additional sessions, change dates, times, locations of the admission test, publication dates of results and the test delivery method, also electronically, if it is deemed necessary for organizational reasons and/or for reasons of health safety.

In case of deferment, as long as it is decided prior to the deadline for the application to the admission test, it will be possible to postpone the deadlines for the submission of the applications and, where deemed useful, accordingly modify the other dates provided for by this Call.

On the day of the test candidates must submit a valid Identification Document (ID) pursuant to art. 35 of the D.P.R. December 28th 2000 no. 445.

During the tests it is absolutely forbidden the use of mobile phones, calculators, tablets, web-connecting devices and the consultation of printed books and / or manuscripts and notes. The possession of these devices must be reported to the operators who, if deemed necessary, might keep the device and then return it at the end of the test.

The use of pens or other unauthorized writing instruments is also forbidden.

Non-compliance with these provisions will result in the exclusion from the test or from its continuation if already begun.

Article 6 – Final ranking for admission

Following the completion of the test, a single ranking list based on the score achieved by each candidate in the admission test will be drawn up.

UniCamillus will publish the final ranking on the website www.unicamillus.org, guaranteeing the anonymity of the candidates, according to the following deadlines:

- within February 4th 2021 for the ordinary session;
- within October 7th 2021 for the extraordinary session (if any).

In the event of a further equal score, the youngest candidate will prevail.

Article 7 – Assignment to the Degree Course

In case there are no slots available in the Degree Course indicated as first option, the candidate will be assigned, for the purposes of enrolment, to the Degree Course indicated as second option.

The candidate who has not entered the ranking to be admitted in the Degree Course indicated as first choice can request, upon enrolment in one of the other Degree Courses he has been admitted

to, the transfer to the Degree Course indicated as first choice, submitting the request by filling in the appropriate form available for download on www.unicamillus.org in his personal page or at the Registrar's Office. The request must be annexed to the enrolment application, to be submitted only to the Registrar's Office. This request entails, in case slots become available, the transfer of the candidate to the Course he has applied for. All transfers will be reported on the dates planned for the reordering of the ranking. Transfers to Degree Courses other than the ones indicated in the application cannot be requested.

Failure to submit the transfer request in the terms and procedure indicated will result in the enrolment in the Degree Course different from the first choice.

The candidate admitted for enrolment in a Degree Course of first and second choice who, for whatever reason, does not enrol according to the terms and procedures set forth in this call, will lose any benefit deriving from its position in the ranking for the purposes of enrolment, for all options expressed and this regardless of any justifications.
