Selection Notification
II level Master of Science
ORTHODONTICS
A.A. 2022/2023 2023/2024

This program lasts for two academic years, during which students will acquire both theoretical knowledge and practical skills. The purpose of the master is to provide clinicians with necessary means for a correct diagnostic and operative approach to orthodontic cases. Students will be drawn into modern orthodontics from the diagnosis to the post orthodontic procedures and will have the chance to get in contact with the most modern techniques and technologies. The official language of the Master will be English.
