CLINICAL PERIODONTOLOGY
A.A. 2021/2022

The periodontology is the specialty of dentistry that studies hard and soft tissues supporting teeth, as well as diseases and conditions that affect them.

The clinical periodontology studies the diagnosis, the prognosis and the treatment of all kind of inflammatory pathology affecting the periodontium, which includes the gingiva (gums), alveolar bone, cementum, and the periodontal ligament.

The aim of this Master program is to improve the knowledge of clinical periodontology in dentists who want to study in deep this subject performing diagnosis, prognosis and treatment according to the evidence base dentistry and the clinical experience of tutors.

Title	CLINICAL PERIODONTOLOGY
Duration:	The Master's program lasts 12 months and includes a total time of 1.500 hours, divided into: <ul style="list-style-type: none">• practical activity and lectures and seminars;• internship (750 hours);• study and individual preparation activities including the preparation of the final exam.
Programma didattico	<p><i>Theoretical and practical sessions will be integrated by practical session on artificial and animal models. The following materials will be given to students by CD:</i></p> <p>Surgical scheme; Periodontal chart for the dental office; Video of live-surgery; <i>Each student could bring to the dental clinic 2 their patients to perform oral surgery as first operator lead by the professor/tutor.</i></p> <p>The clinical surgery session would be performed during the course according to the calendar of practical lessons. The calendar of the lessons could be modified and adjusted, with adequate notice, due to the national and international scientific calendar.</p> <p>The Master's program includes the following teaching modules:</p> <ul style="list-style-type: none">✓ Module 1 (3 CFU) Anatomy, physiology and physiopathology of the supporting tissues around teeth and clinical implications. Etiopathogenesis and pathological anatomy of periodontal disease Semeiotics and diagnosis of periodontal disease✓ Module 2 (2 CFU) Periodontal disease and systemic conditions: a bidirectional relationship. Periodontal disease no-plaque associated✓ Module 3 (2 CFU) Evolution of microbiology: from Koch to Microbiome. Infection and colonization of dental roots.<ul style="list-style-type: none">- Mechanical treatment to control the dental root's infection.- Chemotherapy treatment strategies to control dental root's infection. <p>Guidelines for Surgical and Non-Surgical treatment strategies for the management of periodontal disease</p> ✓ Module 4 (2 CFU)

	<p>Non-surgical periodontal treatment NSPT</p> <ul style="list-style-type: none"> - Modifications of the NSPT protocol and initial preparation - The soft tissue response <p>✓ Module 5 (2 CFU)</p> <p>Surgical periodontal treatment NSPT basic strategies</p> <ul style="list-style-type: none"> - Instruments - Flap and Surgical techniques - Management of interdental papilla and soft tissue aesthetic - Healing of surgical flap and defects - Stitches and suture techniques in periodontal surgery <p>✓ Module 6 (2 CFU)</p> <p>Surgical periodontal treatment NSPT</p> <ul style="list-style-type: none"> - Causal therapy and reduction of the gingival pocket - Rationale - Indications and limits - Flap and Surgical techniques <p>✓ Module 7 (2 CFU)</p> <p>Surgical periodontal treatment NSPT: Reconstruction of periodontium</p> <ul style="list-style-type: none"> - Rationale - Indications and limits -Flap and Surgical techniques - Predictability of long-term success <p>✓ Module 8 (1 CFU)</p> <p>Surgical periodontal treatment NSPT: Muco-gingival surgery</p> <ul style="list-style-type: none"> - Biology of soft tissue around teeth and aesthetic - Gingival biotype in clinical periodontology - Rationale - Indications and limits - Flap and Surgical techniques - Predictability of long-term success <p>✓ Module 9 (2 CFU)</p> <p>Periodontal implications of restorative dentistry</p> <ul style="list-style-type: none"> - Relationship between periodontium and restorations' margin - Saving Natural Teeth with restorative dentistry and periodontal surgery - Smile design - Pre-prosthetic oral surgery - Prosthodontic in periodontal teeth <p>Endodontics and periodontology</p> <ul style="list-style-type: none"> - Classifications of endo-perio lesions - Endo-perio lesion diagnosis prognosis and decision-making <p>✓ Module 10 (2 CFU)</p> <p>Occlusion and periodontology</p> <ul style="list-style-type: none"> - Overview of literature and clinical considerations <p>Orthodontics and periodontology</p>
Requirements	<p>One of the following degree titles are required to be admitted to the Professional Master Program (or near graduation by the Master enrollment deadline):</p> <ul style="list-style-type: none"> • Master's degree in Medicine and Surgery; • Master's degree and / or specialist degree in dentistry and dental prosthesis; • Master's degree and/ or specialist degree in medicine and surgery with specialization in odontostomatology or qualification for the practice of dentistry;

	<p>Other candidates who can also apply:</p> <ul style="list-style-type: none"> • Candidates in possession of an Accademic Degree equivalent to those listed above obtained in a foreign University. • Candidates in possession of an Accademic Degree obtained abroad and equivalent in duration and content to those listed above. <p>The University reserves the right to admit candidates with different qualifications but relevant to the Master's course.</p>
<p>Procedures and Terms of Presentation of the Application</p>	<p>The application must be received, signed and written on plain paper, as well as written clearly and legibly, using the form available on the web site, by the date of 01/03/2022</p> <ul style="list-style-type: none"> • Hand delivery at the University (From Monday to Friday 9 am to 1 pm.); • Registered letter A/R at the address: Scuola post-laurea – UniCamillus University – Via di Sant’Alessandro 8 – 00131 Roma; • Email to both of the following email addresses <ul style="list-style-type: none"> - Postlaurea.unicamillus@pec.it - postlaurea@unicamillus.org <p>Please specify the name of the Professional Master you wish to attend</p> <p>The following documents must be attached to the application:</p> <ul style="list-style-type: none"> • a dated and signed curriculum vitae et studiorum european format; • photocopy of an identity card; • any other academic titles that the candidate wishes to submit for the admission; • Statement of having read the information regarding the personal data treatment based to art.13 and 14 in accordance with the European legislation (UE) 2016/679 • Photocopy of fiscal code or health insurance card (for Italian citizens and foreigners in possession of it). • For candidates in possession of equivalent qualifications to those required: substitutive declaration of certification, pursuant to art. 46 of D.P.R.28/12/2000,n. 445, certifying the achievement of the aforementioned titles in accordance with current legislation; • Candidates in possession of an accademic title obtained in a foreign country will have to present the “Declaration of studies abroad” using the form available on the web site. Within 2 months from the beginning of the Professional Master Course, the candidates will have to provide to the student secretariat the original of the Official Italian translation of the Full Qualifications of Legalization and of the Declaration of Value issued by the Italian Embassy or General Italian Consulate competent for the territory in the country in which the title was produced. • Payment copy of the participation fee of the first installment: Euro 2.500 by 01/03/2022
<p>Participation Fee</p>	<p>Participation Fee: The participation fee is 11.500 Euros to be payed in 4 equal amount installments</p> <ul style="list-style-type: none"> - First installment: Euro 2.500 by 01/03/2022 (Together with the submission of the application for admission) - Second installment: Euro 3.000 by 01/06/2022 - Third Installment: Euro 3.000 by 01/11/2022 - Fourth installment: Euro 3.000 + Euro 50 DUTY STAMPS = tot Euro 3.050 by 15/01/2023

	<p>If the candidate does not make the payment within the time specified by UniCamillus he will lose the right to enroll / participate.</p> <p>Failure to pay the installments within the established terms will block the student's didactic activities. Hence, this will result in a non-admission to the final exam and, thus, a failure to earn the degree.</p> <p>The student is required to pay the remaining installments even if an interruption of his didactic activities will occur.</p> <p>The student can exercise the right of withdrawal within 14 days from the payment date of the first installment, by sending, within the aforementioned deadlines, a registered email to the following address postlaurea.unicamillus@pec.it. In this case, the relative reimbursement will be made within 30 days from the student's communication. Moreover, 10% of the amount paid will be retained as a penalty.</p> <p>The Master will only be activated if a minimum number of participants is reached. In the event that the Master does not begin due to failure to reach the minimum number, the University will refund the entire amount paid without withholding anything as a penalty.</p>
