Communication skills

Thanks to the various training and professional experiences I have had, I have been able to develop excellent interpersonal skills and learn the best practices of teamwork.

Organizational and managerial skills

Having worked both "by rules and procedures" and "by projects" has allowed me to improve my organizational skills, management of working methods and efficiency. I have good management skills and I am able to manage tasks and commitments independently with precision and professionalism.

Basic professional skills

I know and use the principles of the following physiotherapy methods or techniques:

- Techniques to facilitate respiratory function
- Traditional massage and deep transverse massage
- Functional bandage and Kinesio Taping
- Pompage
- Postural re-education (Mézières method)
- Progressive neurokinetic facilitation (Kabat method)
- Neurological problem solving through a basic rehabilitation approach to Bobath and Perfetti functional re-education methods
- Basic use of instrumental physical therapies (electrotherapy, contact diathermy – Tecar, Magneto Therapy)
- Good command of MS Office (Word, Spreadsheet, PowerPoint)

Computer Skills

FURTHER INFORMATION

Awards and recognitions

- Winner of the **"Best Thesis"** award of AIFI Molise in the academic year 2012-2013 with the thesis entitled *"Sindrome di Pisa nella Malattia di Parkinson: correlazioni cliniche ed Elettromiografiche in una popolazione di pazienti sottoposti a trattamento riabilitativo posturale Mézièrista"* (*"Pisa Syndrome in Parkinson's Disease: clinical and electromyographic correlations in a population of patients undergoing Mézières postural rehabilitation treatment"*)

Membership of groups/associations

- Member of ITALF (Italian Lymphoedema Framework) since 2022
