

## EUROPEAN FORM FOR CURRICULUM VITAE

### PERSONAL INFORMATION

Name **DHURATA IVZIKU**  
E-mail [dhurata.ivziku@unicamillus.org](mailto:dhurata.ivziku@unicamillus.org)

### WORK EXPERIENCE

- Since July 2018 Research nurse and Educator in the Nursing Innovation and Development Unit, Directory of Healthcare Professions, Fondazione Policlinico Universitario Campus Bio-Medico, Rome, Italy
- 2015-2018 Clinical Nurse Coordinator (Unit 3 Ovest- University Hospital Campus Bio-Medico, Rome, Italy) managing the quality of assistance, nursing, nurse assistants and student continuous education, and rapid integration of new coming staff
- Dal 2014 Registered nurse responsible for the quality and safety Joint Commission indicators within a medical surgical department at the University Hospital Campus Bio-Medico of Rome, Italy
- 2005-2015 Registered nurse with vast clinical experience in medical surgical departments such as geriatrics, hepatology, gastroenterology, plastic surgery, major surgery, oncology, cardiology and multiple chronic diseases at University Hospital Campus Bio-Medico of Rome, Italy

### SCIENTIFIC RECOGNITIONS

- December 1, 2023** Award SISI Researcher 2023, Italian Scientific Society of Nursing Science, for the best-published research on nursing, received for the article "What determines physical, mental and emotional workloads on nurses? A cross-sectional study" published at the Journal of Nursing Management.
- November 29, 2023** Recognition from the Italian Ministry of University Education and Research, the scientific maturity and qualification as Associate Professor in Nursing available until 28 November 2034.
- November 26, 2021** Best Practice Scientific research 2021- XXV SIDMI National Congress "Challenges for the future of healthcare professions management in the post Covid era", 25-26 November 2021, Santa Margherita Ligure, Genova. Prize awarded by SIDMI for the abstract entitled 'Leadership and perceived effects among nurses: an

observational study'

**December 19 2017** Winner of the Quality Award at the University Hospital Campus Bio-Medico of Rome with the project "I protect myself-the implementation of the correct usage of Individual Protection Disposals on healthcare professionals"

**December 14 2016** Winner of the Quality Award at the University Hospital Campus Bio-Medico of Rome with the project "Prevention of care related infections-the tutoring as a model for the improvement of the clinical practice"

**March 2010** Research award on Geriatric research call 2009 "Promoting changes in care to the elderly" call promoted from Colleggio IPASVI of Milano Lodi, for the research "Evaluation of screening for the risk of fall of elderly in the hospital, development of an instrument".

## TEACHING EXPERIENCE

**Since January 2024** Lecturer at the Specialization First Level Master in Management for Healthcare Professions, X edition, University Campus Bio-Medico of Rome, Italy, course on research methodology applied to management and innovation in healthcare and research of measurements of the complexity and intensity of care in healthcare.

**April 2023** Visiting Professor, Department of Nursing, Faculty of Health Sciences, University of Malta, lecturing to graduate and post-graduate nursing students (1 credit) and Public Lecture to health and social care stakeholders from public and private service.

**Since 2023** Co-supervisor of the PHD Student from The University of Malta, on the doctoral project "Career intentions of nursing students when transitioning into the nursing workforce – A longitudinal mixed-method study".

**Since 2022** Adjunct Professor at the La Sapienza University, Rome, Italy, Master's Degree in Nursing, course on identification and programing of an educational event, developing competences on how to project and perform education courses (2 credits).

**2019-2022** Adjunct Professor, Degree Course in Nursing, University La Sapienza of Rome, integrated course nursing in medical area (2 credits), coordinator of the integrated course.

**Since 2022** Lecturer of the second level Master at University Campus Biomedico Post lauream Academy: Master in Ricerca clinica III edizione. Teaching argument "the role of nurses in research team"

**Since November 2022** Teaching coordinator of the Specialization First Level Master in Management for the Healthcare Professions, University Campus Bio-Medico of Rome, Italy.

**Since March 2022** Member of the scientific committee and organization of 4 continuous education courses for novice nurses, each of 4 ECM credits on Nursing professional identity, deontology and ethics, Nursing care for fragile cardiologic patients, nursing care for fragile patients with respiratory diseases and nursing care for patients with dysphagia.

**Since 2022** Adjunct Professor at the La Sapienza University, Rome, Italy, Master's Degree in Nursing, course on identification and programing of an educational event, developing competences on how to project and perform education courses (2

credits).

- July 2021** ECM FAD-continuous education course lecturer “Nursing assistance to the patient with tracheostomy “and “Nursing assistance to the patient undergoing the invasive and non-invasive mechanical ventilation ”.
- Since 2021** Lecturer at the Tor Vergata University, Rome, Italy, Specialization Master of First Level in Emergency Nursing, course on Guideline recommendation interpretation, procedure development for the care pathways for stroke patients.
- Since 2020** Assistant-supervisor of PHD Students on Nursing and Public Health, University Tor Vergata, Rome, Italy, (doctoral program 36, 37, 38, 39) actually following 4 students working on PhD projects regarding Nursing Workload, Middle Nurse Management competences, Communication between top and middle management, patient oriented decision making middle management level.
- Since 2020** Member of the Didactic Committee of the Degree in Nursing, UniCamillus Saint Camillus Healthprofessions University, Rome, Italy.
- Since 2020** Member of the Degree Commission in Nursing for all autumn and spring graduation sessions at - Saint Camillus International University of Health Sciences, Rome, Italy
- Since 2019** Adjunct Professor, Degree Course in Nursing, UniCamillus - Saint Camillus International University of Health Sciences, Rome, Italy, with multiple courses in english language in fields of medical nursing (4 credits), clinical nursing (2 credits) and quality implementation (2 credits). Coordinator of the integrated courses nursing 3 and 4, medical-surgical nursing.
- 20-21 November 2018** Lecturer at the Master’s Degree in Nursing and Midwifery at San Camillo/Forlanini, University La Sapienza of Roma, teaching “Indicators of quality in healthcare, definitions and measurement”
- 12 and 16 November 2018** Lecturer at the Continuous Education on Nursing (ECM) “Wound Care: Prevention and treatment of the pressure ulcers” at the Campus Bio-Medico of Rome University Hospital
- 18 and 19 June 2018** Lecturer at the Training Course for teachers and tutors of the AUSL of Pescara - How to arrange teaching and learning in the Clinical Area: Pathway Planning, with the topic “Communication in classroom teaching and on tutoring”
- From April 2018** Didactic Coordinator of the simulation of nursing techniques, School of Nursing, Campus Bio-Medico of Rome University
- 20-24 April 2015** Lecturer of the training course for the Nurse Assistants at the Campus Bio-Medico of Rome University Hospital, with the topic “Assistance to the elderly and to those with cognitive disorders”
- 2007-2018** Didactic tutor of Nursing of disability and Geriatrics, ,School of Nursing, Campus Bio-Medico of Rome University
- 1998-99** Lecturer of English literature, School of English language and literature, Faculty of Foreign Languages, University of Shkoder, Albania

## EDUCATION

- October 2018** Doctor of Philosophy and Research in Nursing and Public Health cum laude, University “Tor Vergata”, Rome, Italy

- 2017 Postgraduate course in Counseling at the University “Tor Vergata” in collaboration with the Integrated Counseling School for the Professions of Help in the Relational Approach (CIPA)
- 2012-2014 Master’s degree in Nursing and Public Health, cum laude, at the University of Rome “La Sapienza”
- 2007-2009 Master in Geriatric Nursing at the Campus Bio-Medico of Rome University
- 2005 Bachelor in Nursing Science cum laude at the Campus Bio-Medico of Rome University
- 1998 **Bachelor degree in English Language and Literature at the University of Shkoder, Albania**

## OTHER INFORMATION

### SCIENTIFIC SOCIETIES

- Since 2024 Member of the European Federation of Educators in Nursing Science-FINE
- Since 2023 Member of the Scientific Society CNAI- Consociazione Nazionale Associazioni Infermieri
- Since 2023 Member of the European Specialist Nurse Organisation-ESNO
- Since 2023 Member of European Transcultural Nursing Association-ETNA
- Since 2022 Member of the European Nurse Directors Association-ENDA
- Since December 2022 Executive board member of the Italian Transcultural Nursing Association (AIT)
- Since December 2022 Member of Scientific Committee of the Italian Society for the Direction and Management of nurses (SIDMI)
- Since March 2022 Deputy Director of the Joanna Briggs Institute of the Italian evidence-based practice nursing scholarship-a JBI center of Excellence, CECRI of the order of nurses of Rome
- Since 2021 Member of the international honor society of nurses SIGMA
- Since 2021 Member of the Italian Scientific Society for the Direction and Management of Nursing (SIDMI)
- Since 2018 Member of the Nursing group of the European Respiratory Society (ERS)
- Since 2016 Member of the Italian Society of Nursing Science (SISI)
- Since 2018 Peer reviewer for the journals Health and quality of life outcome, BMJ Open, International Journal of Chronic Obstructive Pulmonary Disease, Frontiers in Pediatrics, PEER J, Journal of nursing Management, Journal of clinical nursing, Journal of advanced nursing.

- 29 September 2016 Poster - The self-care experiences of people with chronic obstructive pulmonary Disease, at the European Respiratory Society international congress (London)
- 29 September 2016 Poster - Systematic review of measurement properties of self-care instruments in people with COPD, at the European Respiratory Society international congress (London)

## RESEARCH PROJECTS

- 2024 Principal investigator of the multicenter study “A Longitudinal Study on Augmented Reality and the Psychosocial Well-being of Elderly Individuals: Investigation of Preferences, Development of a Staged Serious Game, and Achieved Outcome”, Project team: Marzia Lommi, Dhurata Ivziku, Laura Iacorossi, Gabriella Facchinetti.
- 2024 Principal investigator of the multicenter study “Phenomenological Exploration of Communication between Top and Middle Nursing Management in Italy: Paths, Themes, and Communication Effectiveness for Optimizing Organizational Efficiency”. Project Team: Dhurata Ivziku, Daniela Tartaglini, Raffaella Gualandi, Anna De Benedictis, Marco Di Muzio.
- 2024 Principal investigator of the multicenter study “Patient-orientated decision-making: an exploratory study on healthcare managers to identify defining features.” Project team: Daniela Tartaglini, Raffaella Gualandi, Dhurata Ivziku, Anna De Benedictis.
- 2024 Principal investigator of the multicenter study “Analysis of perceptions and needs on the skills required for Middle Nurse Managers in different care settings”- phase 2”. Project team: Daniela Tartaglini, Dhurata Ivziku, Lucia Filomeno.
- 2024 Principal investigator of the multicenter study “Evidence Based Practice (EBP) in Italian healthcare organizations: the nurse and nurse managers point of view on the state of art of implementation (EBP-phase 2)”. Project team: Dhurata Ivziku, Ippolito Notarnicola, Daniela Tartaglini.
- 2024 Scientific responsibility of the multicenter study “Impact and Implementation of Patient Reported Data in Palliative Care: Towards Continuous Quality Improvement and Enhanced Clinical Integration”. Project team: Anna De Benedictis, Raffaella Gualandi, Daniela Tartaglini, Dhurata Ivziku, Michela Piredda, Rossana Alloni, Giuseppe Casale, Chiara Mastroianni, Francesco De Micco, Anna Marchetti, Giorgia Petrucci, Sabrina Saccoccia.
- 2023 Principal investigator of the multicenter study “Competences of middle nurse managers in different healthcare settings: a qualitative study”. Project team: Dhurata Ivziku, Daniela Tartaglini, Lucia Filomeno, Marzia Lommi, Daiela Forte, Marco Di Muzio. Project **received funding from CECRI-Order of nurses Rome, 2050,00 euro.**
- 2023 Principal investigator of the multicenter study “Lived experience of nurses of private and religious healthcare settings: a phenomenological study”. The project involved 45 nurses working in private settings in Rome. Project Team: Dhurata Ivziku, Daniela Tartaglini, Marzia Lommi, Mariagrazia Montalbano.

- 2023 Principal investigator of the multicenter study "National and international nursing students work search behaviours: a mixed method study", the project involves students from UniCamillus University, La Sapienza, Tor Vergata, Palermo University. Research team: Dhurata Ivziku, Marzia Lommi, Sondra Badolamenti, Miriam Cultrera, Maria Ymelda tolentino Diaz, Roberto Latina. Project **received funding from CECRI-Order of nurses Rome, 5640,00 euro.**
- 2023 Principal investigator of the multicenter Project "Studying away from home nursing students well-being and quality of university life", Project team: Dhurata Ivziku, Fabio D'Agostino, Noemi Giannetta. Project **received funding from CECRI-Order of nurses Rome, 6400,00 euro.**
- 2023 Principal investigator of the multicenter Project "Evidence Based Practice (EBP) in Italian healthcare organizations: the nurse and nurse managers beliefs and point of view." Project team: Ippolito Notarnicola, Dhurata Ivziku. Project **received funding from CECRI-Order of nurses Rome, 4960,00 euro.**
- 2023 Principal investigator of the multicenter Project "Nurse manager leadership style: the impact on the team of collaborators-stage 3", Project team: Daniela Tartaglini, Dhurata Ivziku, Raffaella Gualandi, Anna De Benedictis. Project **received funding from CECRI-Order of nurses Rome, 5360,00 euro.**
- 2023 Principal investigator of the multicenter Research Project "Impact of ethical leadership on nurses' turnover intention and intention to leave the profession", Research team: Sondra Badolamenti, Paolo Iovino, Ivziku Dhurata.
- 2022 Principal Investigator of multicenter national research project "Studying away from home: an observational study on Italian students studying away from home and international university students well-being", Project team: Dhurata Ivziku, Fabio D'Agostino, Roberto Latina, Marco Di Muzio, Noemi Giannetta, Andrew P Smith. Promoted by Unicamillus University in collaboration with the University di Cardiff, UK e University La Sapienza of Rome.
- 2021-2022 Principal Investigator of multicenter national research project "Leadership style of middle-nurse managers: impact on themselves, on collaborators team and the quality of care-phase 1&2", Project team: Daniela Tartaglini e Dhurata Ivziku, promoted by Foundation University Hospital Campus Bio-Medico of Rome. Project **received funding from CECRI-Order of nurses Rome, 8000 euros.**
- 2022 Principal Investigator of multicenter national research project "Middle nurse Management in healthcare: analysis of the role and of the competences to create value in healthcare organizations", Project team: Daniela Tartaglini, Dhurata Ivziku, Lucia Filomeno, Marco Di Muzio, promoted by Foundation University Hospital Campus Bio-Medico of Rome in collaboration with University Tor Vergata of Rome. Project **received funding from CECRI-Order of nurses Rome, 1620 euros.**
- 2021-2023 Principal Investigator of the multicenter national research project "ESSENCE a study on patient complexity of care in medical surgical wards and nursing workload" promoted by Foundation University Hospital Campus Bio-Medico of Rome. Project team: Dhurata Ivziku, Daniela Tartaglini, Raffaella Gualandi.
- 2017-2019 Principal investigator of the research project "The caregiver-pazient dyads contribution to the self-care of COPD: a mix method study" promoted by Campus Bio-Medico University of Rome in collaboration with University Tor Vergata of Rome. Project team: Dhurata Ivziku, Maria Matarese, Marco Clari. Project **received**

**funding from CECRI-Order of nurses Rome, 8000 euros.**

**2018-2020** Principal investigator of the research project "Mindfulness Study: Intervention of Mindfulness for the reduction of stress in COPD patients and caregivers" promoted by Campus Bio-Medico University of Rome. Project team: Dhurata Ivziku, Maria Matarese, Marco Clari. Project **received funding from CECRI-Order of nurses Rome, 10000 euros.**
