

CURRICULUM VITAE

ANNA CATERINA MILANETTO, M.D.

EDUCATION and MEDICAL TRAINING

- 2003 **High School Diploma** (100/100 cum laude) - Istituto Don Bosco, Padova
- 2009 **Degree in Medicine and Surgery** (110/110 cum laude) – University of Padua
Thesis: “Limited resections of pancreas: Indications and outcomes” (Supervisor: Prof. Sergio Pedrazzoli)
- 2010 **Medical Licence**: n. 10511 - Ordine dei Medici di Padova
- 2016 **Post-graduate degree in General Surgery** (110/110 cum laude) - University of Padua
Thesis (English language): “Pancreatico-Duodenal Tumors in MEN-1 syndrome: indications to surgical treatment and follow-up” (Supervisor: Prof. Claudio Pasquali)
- 2017 – 2018 **Clinical Research Fellow** – DiSCOG, University of Padua
Project: “Metastatic gastro-entero-pancreatic neuroendocrine tumors. Patients’ survival after treatment and prognostic role of VEGF immunostaining” (Supervisor: Prof. Claudio Pasquali)
- 2019 **Clinical Research Fellow** – DiSCOG, University of Padua
Project: “Neuroendocrine Neoplasms of the Pancreas” (Supervisor: Prof. Claudio Pasquali)
- 2019 – 2020 **Clinical Research Fellow** – DiSCOG, University of Padua
Project: “Neoplasms of Ampulla of Vater” (Supervisor: Prof. Claudio Pasquali)
- 2020 – 2023 **Junior Researcher/Assistant Professor** (SSD MED/18 – General Surgery) – DiSCOG, University of Padua
- 2022 **National Scientific Licence** for Associate Professor in General Surgery (art. 16, comma 1, Legge 240/10)
- 2023 – 2024 **Clinical Research Fellow** – DiSCOG, University of Padua
Project: “Neoplasms of Ampulla of Vater: Prognostic role of pathological features and molecular profiles” (Supervisor: Prof. Claudio Pasquali)

SURGICAL TRAINING and RESEARCH at International Institutions (Fellowships)

- 2014 **FELLOWSHIP European Pancreatic Club (EPC)** for Clinical Research and Pancreatic Surgery
Allgemein-, Viszeral- und Transplantationschirurgie - Universitätsklinikum of Heidelberg (Germany)
- 2017 **FELLOWSHIP Sten Tibblin** for Clinical Research and Endocrine Surgery
Endocrine Surgery Unit - Skånes Universitetssjukhus of Lund (Sweden)
- 2017 **FELLOWSHIP European NeuroEndocrine Tumor Society (ENETS)** Centre of Excellence Training
Pancreatic Surgery Unit – Humanitas Research Hospital of Milan (Italy)
- 2022 **FELLOWSHIP United European Gastroenterology (UEG)** for Pancreatic Surgery
Pancreatic and Upper GI Surgical Unit – University Hospital of Umeå (Sweden)

MASTERCLASS and POST-GRADUATE COURSES

- Post-Graduate Course at the Annual ENETS Conference for Neuroendocrine Tumor Disease (2014, 2015, 2016, 2017, 2018, 2019, 2023, 2024)
- ENETS Summer School - Royal Free Hospital London, UK – 12-14th September, 2016
- 17th International Postgraduate Course in Endocrine Surgery Athens, Greece – 31st May-2nd June, 2018
- 6th Paul Brousse Masterclass on Laparoscopic Surgery of the Liver and Pancreas Hepatobiliary Centre of Paul Brousse Hospital, Villejuif-Paris, France – 18-19th April, 2019
- UEG Masterclass on Chronic Pancreatitis Wien, Austria – 21-22nd April, 2022
- ESSO Advanced Course on Pancreatic Tumours Surgery Paris, France – 12-13th September, 2022
- ESSO Advanced Course on Pancreatic Tumours Surgery Gothenburg, Sweden – 14-15th September, 2023

MEMBER of SCIENTIFIC SOCIETIES

2011 – present	Associazione Italiana per lo Studio del Pancreas (A.I.S.P.)
2011 – present	European Pancreatic Club (E.P.C.)
2011 – present	International Association of Pancreatology (I.A.P.)
2016 – present	European NeuroEndocrine Tumor Society (E.N.E.T.S.)
2018 – present	Italian Association on NeuroEndocrine Tumours (It.a.NET)
2018 – present	European Society of Endocrine Surgeons (E.S.E.S.)
2022 – present	European Society of Surgical Oncology (E.S.S.O.)
2022 – present	Associazione Italiana di Chirurgia Epato-Bilio-Pancreatica (A.I.C.E.P.)
2022 – present	Società Italiana di Chirurgia (S.I.C.)

ROLE IN SCIENTIFIC SOCIETIES and SCIENTIFIC JOURNALS

2017 – 2020	Member of the A.I.S.P. Council (elected)
2020 – 2023	Member of the Abstract Selection Committee for Clinical Sciences at E.P.C. Council
2020 – present	Member of the Task Force “Communication” of A.I.S.P.
2022 – present	Member of the Task Force “Pancreas” of A.I.C.E.P.
2023 – present	Member of the E.P.C. Council (elected)
2016 – present	Reviewer for “Journal of Gastroenterology, Hepatology and Endoscopy”, “World Journal of Surgical Oncology”, “Journal of Clinical Medicine”, “Cancers”, “BMC Gastroenterology”, “Updates in Surgery”, “Langenbecks’ Archiv of Surgery”, “Frontiers in Surgery”
2023 – present	Editorial Board “Frontiers in Oncology” (Section HPB Cancers)

SCIENTIFIC AWARDS and TRAVEL GRANTS for ABSTRACTS presented at International Congresses

2017 AWARD “Mario e Lina Austoni 2016”

For Clinical Research in Digestive neuroendocrine tumors – University of Padua

2022 Best Abstract AWARD - EPC Annual Congress in Kiev, Ukraine - June, 2022

Abstract: “Radiological embolization of liver metastases in patients with pancreatic neuroendocrine neoplasms: a single center experience”

2022 Best Poster Clinical AWARD - UEG Week in Wien, Austria – October, 2022

Abstract: “Single center experience of radiological embolization of liver metastases in patients with pancreatic neuroendocrine neoplasms”

- EPC Travel Grant: Zurich, June 2013
- EPC Travel Grant: Southampton, June 2014
- AISP Travel Grant: Liverpool, July 2016
- EPC Travel Grant: Liverpool, July 2016
- UEG Travel Grant: Budapest, June 2017
- EPC Travel Grant: Bergen, June 2019
- UEG Travel Grant: Vienna, September 2022

NATIONAL and INTERNATIONAL SCIENTIFIC CONGRESSES and MEETINGS

She participated to more than 90 national and international scientific congresses and meetings, with 190 **abstracts** published on national and international journals, and several abstracts presented as **oral communication**. Invited **speaker** and **chairman** in several national and international scientific congresses and meetings.

PAPERS PUBLISHED in INTERNATIONAL PEER-REVIEWED JOURNALS

See the list of publications cited in PubMed:

NATIONAL and INTERNATIONAL RESEARCH PROJECTS

- Since 2013, participation to the **PANcreatic Disease ReseArch (PANDoRA) Consortium** for Genetic Research on pancreatic cancer. PI: Prof. Federico Canzian. German Cancer Research Center/Deutsches Krebsforschungszentrum (DKFZ). Heidelberg, Germany.
 - Since 2020, participation to the **ERN (European Reference Network) EURACAN** for research and assistance of patients with rare solid tumors.
 - Since 2022, participation to the Project **COST (European Cooperation in Science & Technology) CA21116: “Identification of biological markers for prevention and translational medicine in pancreatic cancer” (TRANSPAN)** – Coordinator Center: German Cancer Research Center/Deutsches Krebsforschungszentrum (DKFZ). Heidelberg, Germany. PI: Prof. Federico Canzian.
1. Department Research Project: “Determinants of Health-Related Quality of Life after Surgery for Pancreatic NeuroEndocrine Neoplasms”. PI: prof. C. Pasquali / dott.ssa A.C. Milanetto (ref. 5091/AO/21 – AOP2040)
 2. National Multicentric Research Project: “Registro Italiano Multicentrico di sorveglianza prospettica dei soggetti a rischio genetico di cancro del pancreas (IRFARPC Italian Registry of Families At Risk of Pancreatic Cancer)”. Sponsor: Associazione Italiana Studio Pancreas. PI: prof. S. Paiella (Verona). Local PI (AOUP): dott.ssa A.C. Milanetto (ref. 5163/AO/21 - AOP2359)
 3. National Multicentric Research Project: “Registro Italiano per la pancreatite cronica (ItaRECIPE)”. Sponsor: Associazione Italiana Studio Pancreas. PI: dott. G. Capurso (IRCCS San Raffaele, Milano). Local PI (AOUP): dott.ssa A.C. Milanetto (ref. 5675/AO/23 – AOP2869)
 4. International Multicentric Research Project: “Minimally invasive and open resection of small bowel neuroendocrine neoplasms: an international multicenter observational study (by the International Study Group for Small bowel neuroendocrine neoplasm Surgery)”. Sponsor: Amsterdam University Medical Center (UMC) (Amsterdam). PI: prof. Nieveen van Dijkum. Local PI (AOUP): dott.ssa A.C. Milanetto (AOP2927)
 5. International Multicentric Research Project: “EURACAN Health-related quality of life measurement strategy for solid rare cancers (project number IRBd22-298)”. Sponsor: The Netherlands Cancer

Institute (NKI) “Antoni Van Leeuwenhoeck” (Amsterdam). PI: Dr. Winette van der Graaf. Local PI (AOUP): dott.ssa A.C. Milanetto (AOP3118)

6. National Multicentric Research Project: “Profilazione genetica standardizzata dei soggetti facenti parte del Registro Italiano Multicentrico di sorveglianza prospettica dei soggetti a rischio genetico di cancro del pancreas (IRFARPC - Italian Registry of Families At Risk of Pancreatic Cancer)”. Sponsor: Associazione Italiana Studio Pancreas. PI: prof. S. Paiella (Verona). Local PI (AOUP): dott.ssa A.C. Milanetto (ref. 5933/AO/24 – AOP3207)

TEACHING ACTIVITY and ACADEMIC SUPERVISOR

1. Teaching of Latin at Secondary School, Istituto don Bosco (A.S. 2003/2004)
2. Practical medical activities for master students in Medicine and Surgery, University of Padua (A.A. 2017/2018, 2018/2019, 2019/2020, 2023/2024)
3. Teaching of “Chirurgia generale e specialistica-Chirurgia generale”, SSD MED/18, II anno, I semestre, 4 CFU, 40 ore, at the Nursing School, University of Padua (A.A. 2020/2021, 2021/2022, 2022/2023)
4. Teaching of “Clinica chirurgica II”, SSD MED/18, VI anno, I semestre, 1 CFU, 12 ore, at the Medicine and Surgery School, University of Padua (A.A. 2020/2021, 2021/2022, 2022/2023)
5. Teaching of “Patologia Neuroendocrina del Pancreas”, SSD MED/18, IV anno, I semestre, 1 CFU, 7 ore, at the Post-Graduate School in General Surgery, University of Padua (A.A. 2020/2021, 2021/2022, 2022/2023)
6. Teaching of “Patologia Neuroendocrina del Pancreas”, SSD MED/12, III anno, 1 CFU, 8 ore, at the Post-Graduate School in Digestive Diseases, University of Padua (A.A. 2021/2022, 2022/2023)
7. Lecturer for PhD students of “Dottorato in Scienze Cliniche e Sperimentali (ciclo 37)”. University of Padua (A.A.2021/2022)
8. Teaching of “Patologia litiasica delle vie biliari” and “Pancreatite cronica”, SSD MED/12, III anno, 1 CFU, 8 ore, at the Post-Graduate School in Digestive Diseases, University of Padua (A.A. 2023/2024)

Academic supervisor of six degree thesis in Medicine and Surgery (from A.A. 2016-2017 to A.A. 2023-2024) and of five degree thesis in Nursing (from A.A. 2021-2022 to A.A. 2022-2023).

SURGICAL and CLINICAL ACTIVITY

- Since 2010 Outpatient clinic of Pancreatic Surgery/disease and of Endocrine Surgery/disease
- Since 2017 Multidisciplinary Tumor Board for neuroendocrine tumors
- Since 2020 Outpatient clinic of Neuroendocrine tumors and familial and rare digestive tumors
- Since 2021 Multidisciplinary Tumor Board for pancreatic tumors

Since 2010 she performed more than 2000 surgical operations, including the following categories:

- 630 oncological surgery (295 as First surgeon)
- 250 pancreatic surgery, of whom 240 pancreatic resections (130 as First surgeon)
- 300 hepato-biliary surgery (200 as First surgeon)
- 245 neck/adrenal endocrine surgery (110 as First surgeon)
- 280 gastrio-intestinal and colo-rectal surgery (110 as First surgeon)

Padua, April 2024
Anna Caterina Milanetto
